

MAYHEW MINI PRY BAR SET

PART NO. 31092

Introducing the new Mayhew 2PC. Mini Pry Bar Set, featuring both a curved and straight blade option. The smallest pry bars in the Mayhew Tools line measuring at 5.5-inches, these tools are great for working in tight spaces and providing leverage in close quarters. Ideal applications include dash and door panel work, in addition to every-day uses such as opening packaging, scratching or marking material, some screwdriver applications, and opening bottles and containers. This set is made in the USA and backed by a lifetime warranty.

Tempered Alloy Steel Shaft: The hardened and tempered alloy steel shaft runs from the prying edge through the handle, delivering maximum durability and prying power.

Material: Handle is made from high-tensile strength Nylon 6, known for its toughness and resistance to abrasion and damage.

Ergonomic Handle: Designed to provide superior comfort and secure grip.
